Includes Communication Sites

Monumental Mountain	Stranger Mountain
Paradis Peak	Twelve Mile

MONUMENTAL MOUNTAIN COMMUNICATION SITE – [See Picture](#)

REGION	Northeast
SITE CLASS	2
LEGAL DESCRIPTION	SE¼ NE¼, Section 31, Township 35 North, Range 38 East, W.M.
COUNTY	Stevens
ELEVATION	5,532 Feet
LATITUDE	48 Degrees 29 Minutes 26 Seconds, North
LONGITUDE	118 Degrees 08 Minutes 53 Seconds, West
BUILDINGS	The department provides one 29' x 41' concrete block building. The building is air conditioned and surrounded by an external "ring" ground system along with an interior "halo" ground. A polyphaser feedline entry panel serves the newer portion of the building. There are two other privately owned buildings on this site.
TOWERS	The department owns a 140' Micro-flex guyed tower and an 80' Rohn self-supporting tower.
POWER	Avista Utilities provides commercial power on site. A transtector surge suppressor protects the incoming power mains. The department also maintains a 50 KW Onan diesel backup generator.
TELEPHONE	None except through agreement with microwave operators on site.
ACCESS	Year around access with use of snow machines in winter months.
COVERAGE	Depending on customer requirements, service, frequency and physical terrain, coverage can extend as far south as Davenport, north to Kettle Falls, to the Colville Indian Reservation on the west, and to Chewelah on the east.

PARADIS PEAK COMMUNICATION SITE

REGION	Northeast
SITE CLASS	4
LEGAL DESCRIPTION	NW¼ SE¼, Section 24, Township 35 North, Range 38 East, W.M.
COUNTY	Stevens
ELEVATION	3,980 Feet
